

## Remodeling tips

You are going to have to check credentials, make sure the contractor is licensed by the State of Minnesota. Once you find a contractor, do your homework, make sure they have completed a project that is similar to yours. How are you going to do that? Well, you're going to check references. You are going to want to be sure that former clients had a good experience. Go out to different job sites, see how the work is done. Interview the contractor, make sure it is somebody that you can communicate with. And allow enough time for the process. Remodeling can take much more time than you might expect to get the job done and get it done right.

1. Check credentials
2. Do your homework
3. Check references
4. Allow time for project
